#### Flatties & Titters In Wet T-shirts

Dear Virgin Territory,

I just wanted to tell you how much I am enjoying seeing all the girls in school and cheerleader uniforms. I mean, wow, one in all the mags from the last Back To School issue. All the mags have been good up till the Aug. '16 issue. It just fell a bit flat. It was not as good of a mag; a bit boring. Maybe I just like blonde-haired and red-haired girls too much. I know what you're going to say, that there were

blonde and redheaded girls in that mag. I know Dolly and Sammy are in the issue

but I'm getting fed up of seeing them. There's also Elsa. I love her and am not fed up of her. The only girls I liked besides Elsa were Kharlie and Lexy. The rest just didn't do it for me.

Now onto the Oct. '16 issue. Wow, what a covergirl Sally is. She's hot. Now I didn't say I don't like brownhaired girls 'cause that's not true. I like all the girls in this mag. Sexy Sally is so cute. I love her in that pink skirt, and I like her pics on pages 23 and 25. I also like sexy Lexy, the cute blonde cheerleader with a bush. It would be better if her bush was like Zabrina's from April '16. I also like Raven. I love her big tits. Hope to see her do hardcore. Tiffany's cum shot pic could be much bigger.

Can we please see the girls getting wet t-shirts. This is sexy and fun. Tiffany, Raven or Sally would have looked good. Just get the girls to wear a white cotton t-shirt and no bra. Get them to spill a big glass of water all over their tits.

I just got my Dec. '16 issue and must say I like sheer panties. I like Morgan's from Aug. '15 and Chloe's from Dec. '16. It was nice to see Lena in the retro set. I have an old issue with her in it. She's cute, a bit insecure. I am lucky to have this issue. So if the retro set is a new

> thing in the mag can I see

Perky, pointy tits like Elle's look nice in a wet t-shirt. Wouldn't you want her to wash your car in this outfit?

Emma Redd, Somaya Lynn, Jersey Jaxin, Sarah shaving her bush, Heather from April '11 or Bonnie

Have a three-way with mom<sup>'</sup>s boyfriend? Sure, why not!

from Feb. '12? Keep up the good work.-J.M., Falkirk, Scotland

Dear J.M.,

You're in luck; Lexy has a XXX pictorial on page 88 of this issue. We like your wet t-shirt idea and will keep it in mind. For now, here's a juicy photo of Elle in a wet t-shirt and sheer panties.

#### Three's Cumpany

Dear Virgin Territory,

Kharlie and Lexy had one of the hottest three-ways I've ever seen. You can tell these two are bi with pride, the way they dig into each other's pussies. The photo on page 92 of Kharlie taking the guy's cock while Lexy licks his balls is super hot. I also enjoyed the cum shot where Lexy's face is dripping and Kharlie's pussy is oozing jizz. I ordered the video Flat & Fucked 10 to see the scene right after I saw the pictorial. I'm eagerly waiting for it now. You really hit it out of the park with

these two and should really consider shooting more three-ways, especially with two guys and a girl.-E.D., Ogden, Utah

Dear E.D.,

Please let us know what you think of the movie and the scene. As for a BBG scene-we would love to shoot one, however many of our teens are inexperienced and reluctant to take on two cocks at once. But we will keep our eyes peeled.

#### Alex, #1 Flattie

Dear Virgin Territory,

Alex is your number one flattie. She is the cutest and flattest of them all. I only wish that her hardcore pictorial in the Feb. '17 issue was longer. She deserves more, and so do we.

Although I can say that I appreciate that she was already licking a cock on the first page, but I would have liked more cock sucking in the rest of the layout. The guy you paired her with was smart to cum on her miniscule tits. That is the

best place to cum on a girl like Alex. I hope next time you can print more photos of her having sex.-T.M., Plymouth, Massachusetts

Dear T.M.,

Sorry the layout of Alex wasn't longer. A lot of factors go into planning an issue, and we couldn't swing more pages for that particular pictorial. But here's a bonus photo of her for you.

#### Cali Love

Dear Virgin Territory,

It's about time you showed Cali's hardcore pictorial! She looked beautiful and so horny. Too bad you can't show the photos of her peeing. That would've been hot. Although I got nice and hard seeing the teacher lick her pussy after she just peed in the garbage. I would love it if Cali sat on my face. Then she lays back and takes his fat cock on the desk like the naughty schoolgirl she is. I love how she looks down at his cock entering his pussy. If only she had the view that we the readers have. I wonder if the girls ever look at their photos and videos afterwards and get horny. Anyway, please tell Cali I love her and I have a nice clean toilet she can come pee in any time she wants.-W.F., via email

All of the performers/models, and all of the characters that they portray, were over 18 years of age at the time of the photography. The content is inappropriate for minors, and appropriate care should be taken to ensure that it is not viewed by anyone under 18 years of age.

Dear W.F.,

The girls get copies of the mags they're in and many of them watch their scenes too. They get just as turned on as you do.

#### Kylie Is Delicious

Dear Virgin Territory,

Kylie makes me so hard. I loved seeing her in cotton panties and eating a cookie in the Feb. '17 issue. She doesn't need to put frosting on her nipples or lure me with baked treats; I would eat every delicious inch of her if given the chance. Stop teasing us and gives us some hardcore photos of Kylie! I want to see her get fucked. Something tells me I'm going to enjoy it very much, and I think that something is my aching balls. Please tell Kylie that I'm crazy for her and can't get enough of her.-R.F., Toledo, Ohio

Dear R.F.,

You'll be seeing Kylie in a hardcore set very soon. In the meantime, know that she appreciates your boners for her.

Elena's Allure

Dear Virgin Territory,

Elena is incredible. Her hardcore pictorial in the April '17 issue has to be one of the hottest I've ever seen. First of all, the cover of her is great. I was mesmerized by those blue eves and that sweet smile. The cover really made me want to know what her pussy looks like. I can only imagine that sales for this issue were higher than usual because of a bunch of other guys thinking the same exact thing. The photos in her layout were all hot, from her sucking cock

to taking it in

her pussy. I

enjoyed the centerfold photo a lot and the pic of her on page 53 riding cock with a big smile on her face. She looks like she had a great time. The

We'll make sure to include larger cum shots in future pictorials. If you'd like to see Elena facialized up close and personal you should check out this scene in The School of Hard Cocks 2, available on page nine.

#### Lily's Different Looks

Dear Virgin Territory,

I am both a subscriber of your magazine and a member of your website. As a fellow in my 50s, I suppose I never outgrew my love of magazines. I'm proficient with the computer and use it regularly, but there's something to be said about being able to hold a magazine or book in your hands and flip through the pages. Maybe I'm

16232

just nostalgic. Anyway, I'm writing to you to discuss Lily from your Feb. '17 issue. Since I get your magazines and am on your website, I've seen her a few times on various media. I have to admit that I was not that impressed with her upon first seeing her pictorial. I did think she had nice tits though. Then I realized this was the samy Lily you had posted recently in hardcore on your website; a girl who I thought was very cute and sexy. She looks better in her photos and video for the hardcore set for whatever reason. She also fucks like a horny tart in heat. After realizing who she was, her photos in the Feb. '17 issue grew on me, but I am still looking forward to seeing her upcoming hardcore set where she looks especially sexy.-J., via email

Dear I.,

It's interesting how girls' looks can change from set to set and from photos to video. Although in her hardcore scene Lily's dressed as a schoolgirl, and that seems to do wonders for girls in the 18eighteen niche. We think she's a cutie no matter what, but perhaps the outfit was part of her appeal.

#### More Panty Giveaways

Dear Virgin Territory,

Damn, you should bring back your panty giveaway contest. Let all of us horny guys and girls have a chance at heaven! I was lucky enough to have won a pair of panties back a year or so ago. You know SCORE gives us a chance to win a bra and

sometimes a magazine or DVD. So give us 18eighteen subscribers the chance to win some sweet teen panties!–E.S., Noel, Missouri

Dear E.S.,

We've been considering bringing back the panty contests. We'll keep you updated once a final decision has been made.

#### **Lusting For Lezzies**

Dear Virgin Territory,

I just renewed my 18eighteen mag subscription and I can't wait to receive my first issue. You have the hottest teen sex mag in the world.

Have you ever thought of having all XXX lezzie photo layouts for one issue with eight or 10 pairs of beautiful young ladies. There is nothing more special, sexier, hotter, and beautiful than having two gorgeous, young gals french kissing while their breasts and body are pressed together. That always makes me very, very, very horny.

Do you think Chloe of the Oct. '13 issue and Sindy of the July '13 issue would be willing to do a hot XXX lezzie photo layout together? They are probably my two favorite models in 18eighteen. Chloe probably has the best covergirl photo that's ever been on your magazine. I would love to have them both sit on my face. They have very similar-looking pussies and buttholes. They've both got great looking buns. They have the type of asshole that a person can slide or slip his tongue into pretty deep to get a

Kasey is a skinny ginger with freckles. She has tiny tits and a shaved box. She doesn't look like the kind of girl who'd go straight for a cock, but she is. She fucks her neighbor, and he pulls out to spray her body. Blaire fucks JMac in her parents' bed. You can tell she hasn't had a cock this big as she winces and gasps in disbelief at how much it fills her up. She slides her twat up and down his pole and then asks him to fuck her harder. Blaire will have to wash the linens to cover her tracks, but only after she washes all that cum off her face.

#### This is Clarise's first time modeling, and she's a little shy.

During her shoot, Clarise very tentatively removed her panties, embarrassed to reveal her pussy. She spoke to our translator, explaining her reservation. "I'm not very used to being naked. Of course I'm naked when I bathe and when I change, but that is pretty much it. Even the times I've fooled around with a boy, I kept some type of clothing on because I felt shy."

MIKE CARLISLE HAS A PENCHANT FOR TEEN ASS. ON A NIGHT WITH A SPECIAL DINNER GUEST, HIS ROVING EYE TURNS INTO A ROVING HAND, ALL WHILE HIS WIFE AND DAUGHTER ARE NEARBY. WILL HE GET AWAY WITH IT, OR WILL HE BE...

## BISTE

#### BY H. VALENTINE • ILLUSTRATION BY OTIS SWEAT

Lust is my Achilles' heel, 43-year-old Mike Carlisle would often think to himself, having a joke at his own expense. He wished it were otherwise, especially as he was a family man and had to constantly be on guard lest his incorrigible roving eye betray his deadly sin to his loved ones. But what could he do? He tried to be discreet.

This was more difficult than might be imagined, given his 18-year-old daughter's fondness for having girlfriends over on weekends, often sexy, young things. Her long-time favorite, and his, was one Lyla Banks, a tall and scrumptious blonde with tits to die for who favored flimsy, flouncy skirts, embroidered white ankle socks and pointed-toe tennies. He'd been fucking her forever in his mind's eye while going through the motions with his wife of 20 years, Eve.

This evening, as it happened, he had more than fantasy to entertain him. Lyla had just returned from a summer job in a tourist town somewhere in the Rocky Mountains (the Carlisles lived in a conservative suburb of Los Angeles) and daughter Allison had invited her over for dinner. As was his wont on such occasions, Mike positioned himself just right in a comfortable chair in the living room, affording him a perfect view of the nubile beauty as she helped set the table. The man, you might say, was in his element.

It was in fact a not uncommon weekend scene in the Carlisle household, but Mike, who possessed reliable antennae at such times, immediately sensed something different this evening. Most obviously, there was a tension between the two friends. This was exceptional. Normally the affection between them-both bright, energetic high-achievers-was palpable

as they chatted and gossiped, and one would have expected it to be even more so on display after their three-month separation. They exchanged only a few words, however, and the tone of even these few words was, if not hostile, anything but warm.

Equally obvious, and of greater personal interest to Mike, was what seemed to be a changed attitude on Lyla's part towards him. Typically on such occasions, when she had her back turned to him, he would fix a lecherous gaze on her long, wavy blonde mane, her great ass, her shapely thighs and calves. Invariably, of course, this minute or two of delicious voyeurism would be abruptly shattered when the leggy lass began to sense the visual attention she was

getting but not appreciating. Then she would turn her most Medusa-like stare upon him, green eyes blazing with anger. (This didn't intimidate so much as amuse him, but it did render him helpless. To have persisted would have risked her saying something to daughter Allison or even his wife.)

Tonight broke the familiar routine however. Observing her at one point with the usual intensity from his post in the living room, she turned as he had come to expect, but the look she gave now was anything but resentful. In fact, she flashed a brief smile and her eyes seemed lit with—he could hardly believe it—something resembling gratitude. To say this piqued his curiosity would be putting it mildly.

At dinner Mike was on high alert but betrayed nothing. He was sitting across from his wife, with Lyla around the table to his right, close enough to permit the casual contemplation of her small but fleshy "lips like strawberry wine," creamy, white complexion, lightly-freckled nose and of course, those luscious, pearshaped breasts (good-sized pears, he thought). Expectedly, Eve peppered their guest with questions about her summer of work in Colorado. Ally queried her too but without much enthusiasm. At one point, Mike, thinking to break the predictability of the interview thus far, blurted out, "And how was your love life up there in the mountains?" He was

immediately rebuked by wife and daughter—"Mike!", "Dad!"—for his boorishness. Lyla herself only blushed slightly and flickered a smile, glancing at him for a fraction of a second (which amidst the hubbub he alone noticed).

After the dessert the ladies began the clean-up while he retreated to the living room to pick out something from his DVD collection to end the evening for he and the wife. As he was doing so, mother and daughter appeared and crossed the room, heading for some no doubt meaningful tete-a-tete upstairs. He returned to an uninspired search through his collection. A minute in he gave up, leaned back into the couch, stared up at the ceiling, his mind drifting...

Then it hit him. Lyla was probably

He broke their kiss, removed sticky-wet fingers from her cunt and raised them to her mouth

still in the kitchen–unattended. I could use a beer, he thought, and hurried out of the living room. There she was, placing the last of the dishes in the washer. He went straight to the fridge, grabbed a Coors, cracked it open, took a swig and moved over behind her. She turned her head slightly toward him as he approached, her eyes smiling with anticipation.

"I think you've changed," he offered, not beating around the bush. She looked down.

"Yes, I have," she said softly. He slipped an arm about her waist.

"I'm thinking you're maybe more...amenable. Do you know what I mean?"

"Yes, I think I do."

"I'm very glad to hear that," he said, smiling slightly and moving his hand from her side down to her ass. "I'm very glad to hear that." He began to fondle. "What happened?"

"My summer in the Rockies. Some new experiences."

"What kind?" She turned and looked directly at him for the first time. Their eyes met in silence for several seconds.

"What kind?" he repeated as his hand drifted down her short, flouncy skirt, then underneath, coming to rest on a bare buttcheek (she wore no panties). More silence as she luxuriated for a time in the arousing feel of a man's fingers earnestly massaging her ass flesh.

"What kind?" he asked for the third time.

"You know," she said, flashing a sheepish smile.

He did. He abruptly left off fondling and turned her toward him, quickly placing one hand behind her

head, the other on the small of her back. Her eyes closed as he brought her face to his and their lips met. But Mike was no romantic. He immediately thrust a stiff tongue into her soft, supple mouth, expecting her to suck it. After a moment's hesitation, she did.

Then he slid the hand on her back around and up under the front of her skirt,

seeking her pussy. Three fingers were instantly inside her, penetrating and retreating. A few seconds of this and she started to lubricate. Indeed, she soon began to indulge a wicked mental delight in the utter indecency of it all. She thought of Allison (a one-time friend fast becoming an enemy over Lyla's recent and unashamed discovery of the delights of promiscuity), oblivious upstairs to the X-rated affair transpiring in her beloved kitchen; and of the Puritanical wife, who would be horrified, it seemed, by nothing so much as the mere thought of sex between an older man and 18year-old girl. What then of the reality taking place in her own home? This was LOL delicious.

Mike had other thoughts. Time was short, he feared, but he was intrigued to see how far this newborn wanton was prepared to go. He broke their kiss, removed sticky-wet fingers from her cunt and raised them to her mouth. He smiled when

## When nature calls, you answer.

Ivy really has to pee, so she runs to the bathroom and pulls down her panties to unleash a torrent of piss. Now that she feels relief, nature compels her to do something else...and that's to rub and finger her horny pussy till she cums hard.

#### This flattie is more kinky than she looks.

"People think that I'm innocent because I'm nice and I get good grades. If they only knew all the naughty things I did, like let boys watch me pee, get fingered in class and have sex in an empty classroom."

### Megan's got the three Bs: braces, boobs and a tight butthole!

We should also mention that her pussy is tight too, and not just because she's a teen. Megan has never fucked before. "I'm dying to lose my virginity! Every day I come home from school with soaked panties because I'm so horny. One time a boy ate me out, and I had an orgasm as soon as he put his tongue on my pussy. I can only imagine how I'll feel once I get my first cock!"

### Megan shows us just how horny she is in her first video.

As the scene starts, she rubs and touches her body like she means it. Writhing and squirming, she gropes herself with the same enthusiasm as a teen boy getting laid for the first time. Despite being relatively inexperienced, sex oozes out of her pores. Megan thrusts her hips up as she diddles her clit, wishing she could fuck the imaginary cock that's making her cum in her mind. Want to see for yourself? Log on to 18eighteen.com for all the naughty fun.

## Cece has a surprise under her uniform.

You probably wouldn't notice Cece when she's in her frumpy school uniform and wearing her glasses. But she's hot under all those nerdy clothes, and we don't just mean her temperature. She's horny for cock and her body is smokin'. She sneaks her boyfriend in after school and doesn't waste any time ripping off her clothes and going straight for his cock. She swallows him to the back of her throat and coats his cock in frothy spit. Cece doesn't skimp on the blow jobs; she's definitely a giver.

fucking a girl like Cece.

### This nerd loves jock cock.

"I'm in a lot of academic clubs in school, and I love the mental stimulation and how smart the guys are. But they just don't do it for my pussy. I drool over the muscular jock athletes. I once hooked up with this big football player. I had a feeling he was going to fuck me like the alpha caveman that he is, and I was right. That's why I let him cover my face in tons of jizz."

# This is a fuck to remember.

JMac picks her up and flips her for an in-the-air 69. He flips her back around to fuck her while still holding her up. Lizzy gets hornier and hornier as they make their way to the couch for more pounding. Her pretty, blue eyes roll to the back of her head as she gets it nice and hard. Lizzy will never forget this fuck session or the way she gets her face blasted with cum. See it in Fuckin' Nerds 2.

#### BUSTED

Continued from page 28

she eagerly seized on his digits, eager to have something more substantial to suck on than his tongue. *She's hungry*, he thought.

Then he moved his free hand back to her ass, but this time he spent only seconds squeezing the fleshy hemisphere. Instead, his fingers drifted to her crack and down, seeking her brown eye. When his middle finger reached its target he stopped briefly, then penetrated up to the first knuckle. Her eyes popped open and she whimpered for half a second, but that was all. The digit continued its upward course until it was fully implanted, resting there at high noon momentarily before being gradually withdrawn. He repeated this

motion several times until he was as

easily finger-fucking her ass as he had

been her pussy only a minute before.

Oh, yes, baby, he thought, we are going

to get along just fine.

Reluctantly, he removed his finger from her ass, then slowly deprived his young paramour of her substitute dick. In response, her full, rosy lips formed a pout.

"What's a matter, sweetie?" he asked. She leaned into him.

"I want to suck your penis," she pouted in his ear.

He repeated this motion several times until he was as easily finger-fucking her ass as he had been her pussy only a minute before.

"I know you do, sweetie. I know you do." Her pout started to turn into a smile. "I'll stay downstairs after the movie," Mike went on. "Eve will retire and be asleep in no time. When Allison drifts off..."

Apprehending this, her smile grew.

"Mmmmm, Yes," she said with budding excitement.

"You'll be sucking soon my sweet little slut," he assured her, at the same time—he couldn't help himself—swiftly flipping the front of her tank-top up and over the ripe fruit that had so entranced him all evening.

"Yes!" she exclaimed, gazing at him with grateful green eyes unmistakably aglow with the light of lust.

"You'll be sucking soon," he repeated, bending his head and taking a provocatively distended dark pink nipple into his mouth.

"I'll be sucking soon," she echoed, quieter this time. "You have your nipple," she whispered, looking down at him, her smile beatific now, "and soon I'll have mine."

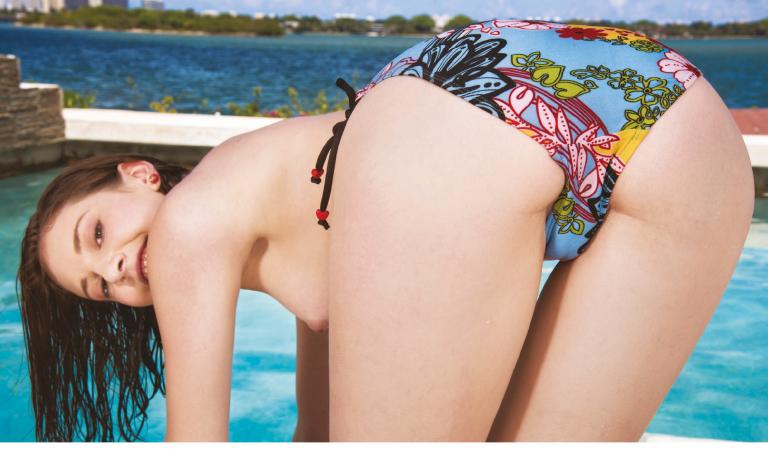

Seconds later, unseen by both Lyla and Mike, daughter Allison stood watching from the kitchen doorway frozen in place, blue eyes spread wide in horror, hand clasped over a gaping mouth only momentarily deterred from emitting a blood-curdling scream.

### Blaire plays in a donut hole while showing you her vanilla donut hole.

She peels off her bikini to show us the goodies underneath. "Wanna see my butthole?" she says playfully. She bends over and spreads her cheeks with a giggle, looking over her shoulder with a coy look. "I'm really horny. Do you mind if I play with myself a little?" Fuck no, we don't! Already wet and ready for action, her finger slides right in her slippery box. She rubs her clit as she finger-fucks her slit, teasing herself till she reaches the gooey climax. And that's just the way a vacation should end.

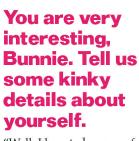

"Well, I love to have my face between a woman's thighs and vice versa! I also love the cowgirl position. It allows me to control the pace and tease a man by moving slowly and gyrating my hips. I also love the basic missionary position. It lets me see the pleasure on your face and feel your whole body and your skin against mine. I've had lots of public sex-in my high school courtyard, various classrooms and in cars. Public restrooms, parks, behind office buildings. Everywhere! I can also make myself squirt when I cum."

flavorful taste of their ass. I would love to have a three-way with these two beautiful gals.

That Oct. '13 Back To School issue is one of the hottest (if not the hottest) magazine I have. Every girl from the beautiful covergirl to the last gal in the mag is very kissable, lickable and fuckable. I've picked out a few gals from this issue that would probably make some real hot XXX lezzie photo layouts together. You were off to a super hot start with the first two ladies in the issue-Lolly and Tiffany. I think they would make a great lezzie layout together. They both have such beautiful long hair, great looking nipples and those delicious looking pink pussies. A gorgeous brunette and a beautiful blonde would make a great lezzie couple.

Another beautiful brunette and gorgeous blonde in the Oct. '13 issue who would make a great lezzie couple are Alice and Ashley. I'm sure Alice would love to eat out Ashley

with all of her sexual experience. Did Ashley appear in any other issues besides the Oct. '13 issue? Ashley and Gina did their BJs and cum shots just like they should be done. With a lot of cum on their tongues and some on their tits to lick off their nipples to get them horny again.

I've heard that Russian women are very beautiful and sexy. And also very horny. Gina from Oct. '13 proves that. She is so hot and sexy and has the most beautiful brown eyes I've ever seen. I've never been in a three-way, but if I could be with Gina and that guy in her pictorial I'd be totally onboard to get my ass plowed while I ate out Gina's pussy and butthole.

I wish I would have been able to write about the hottest issue I have (Oct. '13) a few years ago, but I guess as they say, better late than never. I can't wait to receive my new subscription to see if *18eighteen* mag is even hotter than it was three years ago. Keep up the great work you do.—K.C., Anamoose, North Dakota

Dear K.C.,

We'd be open to doing an all lezzie

issue if readers were interested in that. As for Ashley from the Oct. '13 issue, she was not in any other 18eighteen issues, but you can see her in Naughty Neighbors Oct. '13. Order it at eboobstore.com.

#### Sole Girls

Dear Virgin Territory,

Please put more black girls in 18eighteen. Show all the girls taking huge, black python cocks and making them cum all over their faces and chests and feet. Get real kinky. Show some great foot job action with cum shots all over soles and toes, then getting licked off. Get all the girls of 18eighteen to show some sole.

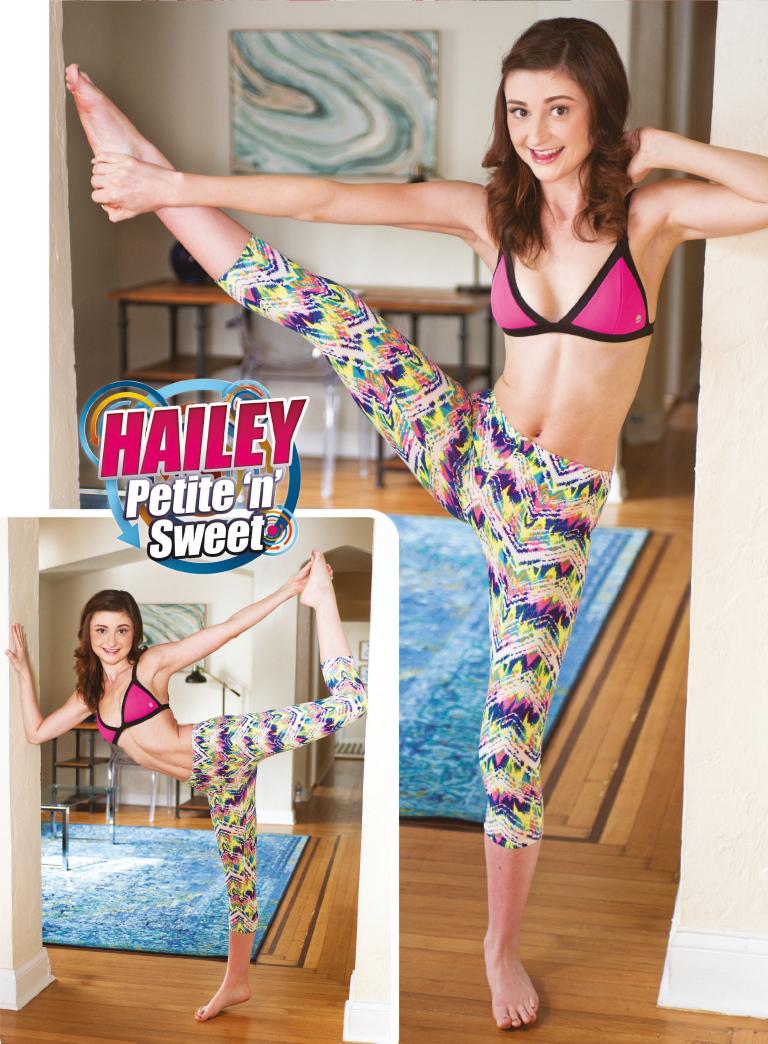

Please show a lot of shots with the girls sitting on a huge cock, legs up and spread wide, toes curled, soles wrinkled like in the Dec. '16 issue, page 49 with Naomi.—Anonymous, Detroit, Michigan

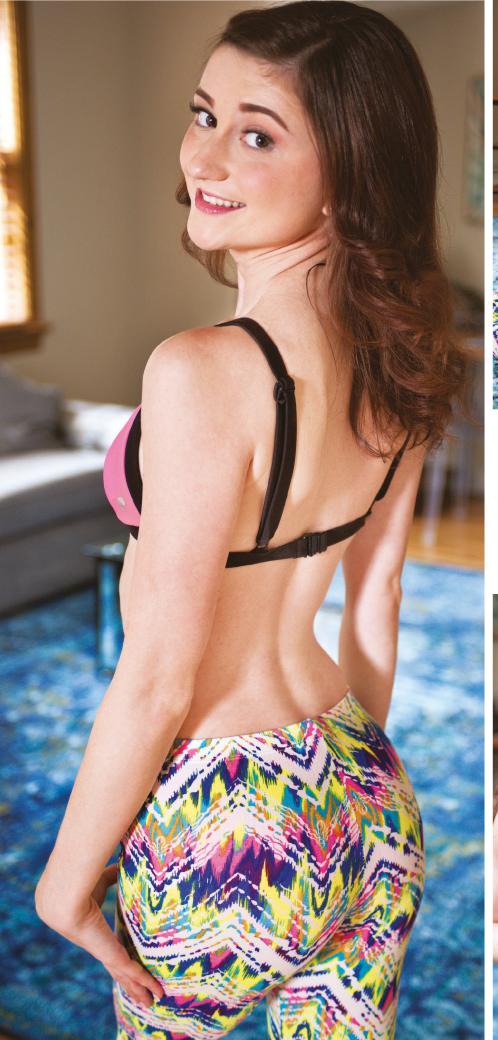

Dear Anonymous,

Ivy from the April '17 issue has some fun sucking her toes. And we'll keep our eyes peeled for more black teen cuties to put in our mag.

Continued on page 85

## We love petite teens with perky tits!

Meet Hailey. She's a dental assistant in training who likes relaxing and doing yoga. "It helps me to stay flexible, which is great for sex!" she said. Hailey also says her special talents are hula-hooping and giving blow jobs. We'll find out about those BJ skills soon enough.

# What's the kinkiest thing you've ever done?

"My ex-boyfriend and I were at a beach at night and started having sex on a bench. In the middle of it, it started raining. We kept going and it was really hot. I was soaked from the rain and my pussy was soaked from fucking! It's every girl's fantasy to have sex in the rain. And other than that, I lost my virginity while my best friend was losing hers right next to me in the same bed! We didn't have an orgy, but we were side by side."

## Have you ever been in a three-way before?

"Yes, with me and two guys. It was lots of fun and I swallowed both of their loads. I loved having two cocks to play with!"

#### The Effect Alex Has

Dear Virgin Territory,

Of all the girls in the April '17 issue, the one I came the hardest to was Alex. And that's a big compliment considering how many sexy girls were in that issue. I like her socks and the one-piece that she was wearing. She has the prettiest pussy and butthole. I stroked myself while looking at her photos on pages 25 and 26, imagining how tight her pink slit would feel around my rock-hard cock. The

expression she'd have if I stuck my dick in her. That little tush of hers is perfect for spanking and fucking, too. I think I need to go jack off again.—H.M., Green Bay, Wisconsin

Dear H.M.,

We don't blame you! Alex is a cutie. Her scene in The School of Hard Cocks 2 is also pretty good spank material too. We're just sayin'.

#### Carolina Needs a Monster Cock

Dear Virgin Territory,

I like that Carolina from April '17. She's cute and has a great smile. All the teasing shots with the white cotton panties are exactly the kind of thing I want to see in your mag. Please bring her back with more spread pussy shots and have her take a big cock too. I want to see her working a cock that barely fits in her mouth and pussy and get fucked in all kinds of positions. Have her either get a creampie or a big sloppy facial. Pair her with JMac or a guy with an even bigger cock, if you can find one. Little teens like her always look best with a monster cock. More Carolina, please.-T.T., Raleigh, North Carolina

Dear T.T.,

Don't worry; we've got you covered. Carolina has a hot hardcore photoset coming up soon.

# Even nerds can get tempted by hard cock!

"I've always gotten As and Bs, but there was one time I almost failed a class because I got an F on a big test. Every time I tried to study for it I ended up fucking my study buddy. Every study session, we would say that this time we would really study, but my pussy would get wet and I wouldn't be able to concentrate. Then we'd start tickling each other, and he would start rubbing my pussy from outside my underwear. I would lose control and need to be on his cock. Luckily, I was able to do extra credit and pass with a C. While that kind of bothers me, it's also a nice, little reminder of all the fun I had."

#### What other naughty sexual things have you done, Lexy?

"I've had sex in my car in my college parking lot. Someone was walking to their car and saw us, but that didn't stop us from fucking. The guy ended up watching us and jacking off, which really turned me on. I got so wet and creamy that my car smelled like sex and pussy for two days after that! Ever since then I've been craving sex where someone is watching and joins in, too."
